

James Sharp

Inducted 2010

Jim began his trapshooting career in 1974 at a small club in Grangeville, Idaho. He has consistently competed ever since then. Once an old high school friend exposed him to the game, he expanded his participation to Pocatello, Boise, Idaho Falls, and Sun Valley Idaho as well as roaming down to Reno and Las Vegas Nevada. Since moving to Arizona in 1976, he has amassed a distinguished shooting record with major wins as follows:

These major wins are in addition to many local club shoot wins over the years. Additionally, Jim has registered 98,150 singles, 131,725 handicap, and 44,000 doubles.

Jim has also been on the Arizona State Men's first team during the years 1995, 2006, and 2009 as well as the Arizona State Men's second team during the years 1989, 1994, 1996, and 2008. He reached a milestone in his ATA career by completing his Grand Slam this past year while shooting in Spanish Forks with a 100 straight in handicap from the 27.

During his shooting career, he also took time to serve on our Arizona State Trapshooting Board for three years as our Secretary/Treasurer, the most sought after position of our board (ha!), during those years. **Not bad for a country boy from May, Idaho, population 172.**

Jim, with his shooting achievements, service to our trapshooting community and his sportsmanship makes an excellent addition to our Arizona State Trapshooting Hall of Fame.
