RM-J.Mennetti, WM-M.Horine, TU-L.Bachman

Others Present: *D.Hawkins (ATA Delegate), A. Nash, W.Venberg, P. Jacobs, J.Vernon*

AGENDA: Schedule 2007-2008 Shoot Dates

President Goerlich called the meeting order at 12:00N.

Discussion:

Lee Bachman gave an update on the 2007 State Shoot. He reported there were 436 participants (15 less than the AG) from 36 states and 4 provinces. 199 AZ residents participated. Lee commented that using 16-4 trap fields on the Championship Singles, shoot-offs had to be conducted under the lights.

Lee also announced the Spring Grand will be scheduled the week of February 18 vs February 11 in 2008 due to the Gem Show starting a week later. This change has received EC approval.

Tim Robb reported that Prescott will hold no registered trap shoots in the 2008 target year, citing lack of help to run them.

Tom McMahon (BA) asked for feedback relative to their upcoming inaugural shoot on June 3. They plan to throw 300 targets, shooting a modified 50 format over six fields (3 starting traps). Registration will open at 7:00AM with a starting time of 8:00AM. A program will be forthcoming. Due to the fact that the clubhouse is under construction, there is no food service available. Shooters need to be notified and plan accordingly. Bottled water will be available. Tim Robb and Dick Goerlich will be there on Saturday, June 2 to help get everything ready. Tom will be ordering PC software (3S). Bob Dobbs and Larry Mane, plus other Board members will be available to help with this first shoot.

Shoot Date Scheduling:

Goerlich then led the scheduling process. Each club submitted their desired 2007-2008 Target Year dates and the shoot calendar was established. Garden Canyon will be back in the rotation along with Ben Avery, however, Yuma will not hold any shoots in the 2008 target year. Green Sheets for the year were received from Ben Avery, Garden Canyon and White Mountain.

President Goerlich motioned to adjourn at 1:05PM, seconded by Steve Long.
