Discussion

John Scanlon inquired if anyone had heard comments – good or bad regarding this year's shoot. Steve Long said he had been questioned why the board sets the targets, why we did not leave it up to the club and their target setters; especially since Tucson hosts the Autumn and Spring Grand and their personnel is experienced. Doug Hawkins reminded everyone that the contract between ASTA and the host club mandates the delegate and the ASTA board is in charge of the target setting. While there would be no problem with the host club handling the target setting under the direction of the ASTA and the delegate, it was felt that to maintain consistency from one club to another, the present terms as stated in the contract should remain the same.

Doug Hawkins also encouraged all to attend the Western Zone Shoot at Garden Canyon.

Larry Mane made a motion to adjourn at 8:45 AM, seconded by Betty Sackett

Respectfully submitted:
Betty A. Sackett
Secretary/Treasurer
