## VI. New Business

1. President Karen Bergman introduced the new State Team Members.
2. ATA Delegate – John Bergman gave an ATA update:
  - a. The ATA cash position is very solid - \$24M in bank
  - b. No new rules changes this year
  - c. In regards to the ammo shortage around the country, the ATA does not have any influence with the manufacturing companies to improve supply, including ammo for small clubs whom seriously depend on ammo for survival.
  - d. The Western Zone Big 50 is growing and becoming very popular in the Western Zone much more than the rest of the country.
  - e. New software programs are being developed to compete or replace the 3S program that now wants to add a surcharge for using their program.
  - f. The 2022 Arizona Western Zone will not take place in Prescott. The BOD of the Prescott Club voted not to host the event again. The ASTA will explore finding a new location to hold this event.
3. ATA Delegate – John Bergman presented the “Rookie of the Year” award to Jenna Ledbetter.
4. President Karen Bergman announced the names of Arizona members on the All American Teams.
5. Questions from the floor:
  - a. Nathaniel Pizinger recommended the requirements to be on the State Team be modified to also require candidates shoot the Arizona State Tournament in order to qualify for placement. He also requested the ASTA provide better prizes for those who make the team. Members from the floor recommended the Board implement a minimum number of clubs and targets a shooter must shoot within the State in order to qualify. This would help promote shooting in Arizona. The Board was receptive to review these recommendations and will discuss them at the next BOD meeting.
